

# Montessori Toddler Summer Program Themes

## June 19-23: Treasure Island

This week we will become pirates and find treasure using our sense of touch in sand, water and dirt. we will also sing songs and read books about pirates.

## June 26-30: Gardens

This week we will be planting, exploring outside, taking nature walks and learning about bugs.

## July 3-7: Food

This week we will talk about healthy foods and even do some cooking activities.

## July 10-14: Construction

We will be learning about different types of buildings and the equipment you may see on a construction site. We will be reading lots of great books and building our own tower.

## July 17-21: Art

This week we will create our own art portfolio. We will explore different ways to make art. Such as, using leaves as brushes or using bubbles to paint.

## July 24-29: Sports

This week we will not only learn about different sports but also get a chance to play them. We will also have an obstacle course at the end of the week.

## July 31- Aug 4: Animals

This week we will learn all about different animals and where they live. We will also talk about our favorite animals. Be on the lookout for cool crafts!

## Aug 7-11: Beach

On our last week we will pretending we are at the beach. The week will be filled with water play, sand play, exploring sea shells and learning about things you may find at the beach. We will be singing great songs, making wonderful crafts and reading fun stories.

**\*\*NOTE:** We will do water play all weeks (weather permitting). Please send in labeled bathing suits, water shoes, towel and sunscreen every week! Thank you!\*\*
