

Preschool Summer Program Themes

June 19-23 Snap-Crackle-Pop!

What makes sound? We will explore different types of sounds and what might make that sound. We will answer different questions about sounds; such as what makes a loud or soft sound and what are some sounds you might hear outside?

June 26-30 How Does Our Garden Grow?

We will plant seeds, explore roots, and work in our own school gardens. What do you think will be growing? We will also have a taste test of different vegetables that are growing at our school!

July 3-7 Red, White and Blue.

Celebrate our country's birthday!!! We will learn about the geography, traditions and more as we travel the country....state to state!

July 10-14 Deep Sea Dive!

Let's explore what is below the ocean's surface. From fins to fish, to shells and sand. Get ready for a fun journey deep below the sea!

July 17-21 Construction.

Using different large and small materials we will plan, build and name a town of our own! Start saving containers now! The possibilities are endless....we could make a town, city or metropolis!

July 24-29 Ooey Gooey Concoctions

Let's transfer Ooblek from a bucket to another one? How about just holding some gak in your hands? We will attempt these tasks and other "impossible" tasks during the week. We will also send home a recipe book so you can try it at home!

July 31-Aug 4 Artist Study

Every day we will focus on a different famous artist and their techniques from painting to drawing!

Aug 7-11 Transportation.

Let's explore ways we can get to different places. From a car, airplane or our own feet! What are some other ways you get somewhere?

Aug 14-18 Fun And Fitness

Let's Move!!! Fitness is for the mind, body and the stomach! We will learn different ways to move our bodies. Such as, yoga, soccer, dance and more. We will also cook some healthy snacks to enjoy after moving our bodies!
