

Summer 2019 K-1 Summer Program

Week 1 - Hot fun in the summer time!! Welcome to summer program! We will make tie dyed t-shirts to celebrate summer camp and have a cool cold treat!!

Week 2- Happy Independence day! We will create our own fireworks and celebrate our country – we will make USA flags and also make a red white and blue treat to eat!

Week 3- Animals- we will paint and create together a jungle with our favorite animals in our jungle.

Week 4- We are the champions my friends! Sports week! We will play all different team sports.

Week 5- Science- we will conduct our own science experiments.

Week 6- Under the Sea- We will make our own ocean together as well as some ocean themed treats to eat.

Week 7- Nature week- we will make our own rain sticks, and take many nature walks to go collecting all pieces of nature.

Week 8- Transportation – We will explore and talk about all things that move.

Week 9- Last week of summer program! We will make decorations and have an end of summer program party along with a pizza party!
