

Elementary 4th – 5th Grade Summer 2020 Themes

Week 1 6/22-26

Let's Explore Windsor-Did you know what Windsor has to offer? We will create a walking map to discover all the places we can get to on foot. Along the way we will learn a little history, complete a scavenger hunt and enjoy some delicious treats Windsor has to offer. We will spend a day at Northwest Park.

Week 2 6/29-7/2

Party in the USA-We will celebrate the 4th (CLOSED FRIDAY, July 3)-How many ways can you celebrate the Red, White, Blue? We will have a picnic lunch on the town green, travel the river walk, and make red/white/blue treats. We will begin our community service project to support the US Military. Spare Time and Dairy Cream.

Week 3 7/6-10

The Amazing Race - Pair up and race to the finish! Last one to check in may be eliminated. We will participate in a variety of relay races. We will enjoy some friendly competition at Dave & Buster's.

Week 4 7/13-17

Challenge Week – We will participate in a variety of challenges-We will play Minute to Win it, take a 60 second fitness challenge and participate in a cupcake war. Working in teams kids will find a unique cupcake to make. The team will have to create a shopping list, purchase ingredients, design the cupcake and make their product. We will visit Sweet Tooth to taste test a few of their specials.

Week 5 7/24-24

Olympics-Let the Games Begin-Pick your country or make up your own to represent at the Olympics. Who will carry the torch? We will spend time playing games represented at the Olympics (Archery/Badminton/Volleyball/Table Tennis). We will visit a local Trampoline park.

Week 6 7/27-31

Fear Factor!-Face Your Fears! Build your confidence while participating in activities that will encourage you to step outside your comfort zone. Put your hand in the mystery box and tell us what's inside. Do you like heights? Let's soar at Six Flags.

Week 7 8/3-7

Game Show Mania-Name that tune! Survey Says..., Win, Lose or Draw. Let the games begin, who will win? We will play a variety of games new and old. Trip TBD

Week 8 8/10-14

We've got talent-Show us your talents. We will put on a talent show for the school and parents. If you do not want to be on stage then you can do set design, concession stand, back stage props-MC, marketing and much more. Let's go to the movies pending an appropriate option.

Week 9 8/17-21

Abacadabra-Let's learn some magic! Can you make things disappear, change their physical state, create an optical illusion? We will visit CT Science center in Hartford.
