

Solve the Clues with Encyclopedia Brown 2020

Windsor Discovery Center 2-3rd grade program

Come join Leroy and Sally, as they bring justice to all, even when the adults can't figure it out! Who is the sleuth among us who will solve each case first? Our activities will also include some days at Goslee pool, recess, outside and gym times, free play, daily silent reading, a weekly field trip, walks, and archery, weather permitting.
