

# Kindergarten – First Grade Summer Program

## Session 1 June 21-25

**Sensational Summer!** We will kick off the summer making tie dye shirts, cool treats, summer related crafts and cooling off under the sprinkler. Wait till you see our sidewalk chalk murals. Oh the games we will play, hop scotch, four square, scavenger hunts and more.

## Session 2 June 28- July 2 & Session 3 July 6-9 (Closed JULY 5, 2021)

**We Love the USA!** We will talk about our country, make red, white and blue snacks, create American flags, glitter fireworks, and research historic buildings/locations in our area.

## Session 4 July 12-16 & Session 5 July 19-23

**Love Our Planet Earth!** We will talk about caring for our environment, create a large earth poster, make crafts from recycled materials, plant plants and flowers around the grounds and clean up our environment. The kids will have fun while learning about the third plant from the sun and what they can do to keep it healthy.

## Session 6 July 26-30 & Session 7 August 2-6

**Let's Dive Under the Sea!** We will discuss all different types of sea life, create an ocean, make yummy ocean themed treats, make your own mermaid and end the session with a pirate pizza party.

## Session 8 August 9-13 & Session 9 August 16-20

**If you're healthy and you know if clap your hands!** We will discuss all ways we can keep healthy, create healthy food charts after taste testing fresh fruits and vegetables from Farmer Justin, participate in physical activities for our minds and bodies (Yoga anyone?) and make delicious healthy snacks.
