

Summer Program Preschool/Primary 2021 Themes

Session 1 June 21- 25, 2021

Welcome!!! All About Me Week!

Let's Splash into Summer by getting to know all of our new friends! Do you have a nickname, a favorite food, or a talent? We will get to know what makes everyone so unique, as we explore the great outdoors, cool off in the sprinkler, play group games, create self-portraits, and taste yummy treats. We wonder what you will share about yourself.

Session 2 June 28- July 2 & Session 3 July 6-9 (CLOSED JULY 5, 2021)

The Great Outdoors!

Roll up your sleeves as we explore ALL that nature has to offer! How many colors can you spy outside? What do you see growing in the garden? We will go on an Eye Spy Adventure, paint rocks, tend to the garden, and graph our favorite vegetables that we pick! We wonder what vegetable will be your favorite

Session 4 July 12-16 & Session 5 July 19- 23

Abby & Ali Had A Farm- Ei Ei O!

Get ready for some barnyard fun! What do you already know about farm animals? Who says 'baaaa'? What do cows eat? What grows at a farm? We will answer all of these questions and more when we have fun at Abby and Ali's farm! Don't forget Farmer Justin will be popping in during the Summer to share with us what is growing at the Nursery!

Session 6 July 26-30 & Session 7 August 2-6

Ocean & Beach!

Let's kick back and relax as we explore everything you see at a beach and in the ocean. We will explore what an ecosystem is, what types of animals call the ocean home and what makes a beach! Get ready to pretend to be a shark as we sing and dance our way through the ocean waves! Hope you have your appetite because we will be cooking up some yummy treats!

Session 8 August 9-13 & August 16-20

Exploring the Universe

Get ready to explore the Milky Way and we aren't talking about the candy bar! We will learn about each planet and what makes them unique. Do they have moons or are they colder than Antarctica? Can you live on the planet? What is a gas giant? Can a planet have rings? What are they made out of? Bring all of your questions these last couple weeks of camp, as we answer your "Wonders," we will create some yummy treats, explore books, and get lost in the great universe we live in! The Milky Way!
